Subject: **Notice of Revocation for Certificate of Registration No. OFP-03-2020-028 issued to La Trinidad Organic Farmers Association**

Dear **Mr. Puyao**:

This refers to your company's registration as an organic food producer with the BAFS. Your Certificate of Registration has a validity period of three (3) years, from March 16, 2020 to March 15, 2023.

We would like to inform you that BAFS existing guidelines, Department Circular No. 03 series of 2015 re: "Rules and Regulations on the Registration of Primary and Postharvest Organic Food and Non-Food Products" requires annual submission of a new organic certificate (OC) to retain your registration within the 3-year validity. Moreover, DC No. 3 provides two (2) months grace period after the expiration of the previous OC to submit a new organic certificate.

Your Organic Certificate No. NIC-OCARCP20113, issued by NICERT, expired last February 3, 2021. The BAFS has not received a new OC despite receipt of our emails sent last March 8, June 7 and June 21, 2021, requesting submission of your updated OC.

In this regard, your Certificate of Registration, COR No. OFP-03-2020-028 is *revoked* pursuant to the Department Circular No. 03 series of 2015.

Should you want to renew your registration with BAFS, may we refer you to our Organic Agriculture Division. You may contact them at email oars.bafs@gmail.com or telephone numbers (02) 928-8741 to 64 local 3304.

Very truly yours,
