Subject: **Notice of Revocation for Certificate of Product Registration and Certificate of Registration**

Dear **Ms. Lapada**:

This refers to your company's registration as Importer and Distributor of the product *Natural Farm Organic Liquid Fertilizer* with the BAFS. Your Certificate of Registration and Product Registration has a validity period of five (5) years, from November 27, 2020 to November 26, 2025.

We would like to inform you that BAFS existing guidelines, Department Circular No. 4 series 2020 re: "Guidelines on the Registration of Organic Soil Amendments Producers and Products" requires annual submission of a new organic certificate (OC) to retain your registration within the 5-year validity. Moreover, DC No. 4 provides one (1) month grace period after the expiration of the previous OC to submit a new organic certificate.

Your Organic Certificate No. 048320-1, issued by OCCP-ICSI, expired last February 16, 2021. The BAFS has not received a new OC despite receipt of our emails sent last March 8, May 25 and June 21, 2021 requesting submission of your updated OC.

In this regard, the following registration certificates are revoked pursuant to the Department of Agriculture's Department Circular No. 4, series 2020:

1. *All Around Organic Fertilizer, Inc.-COR No. IP-OSA-032*
2. *Natural Farm Organic Liquid Fertilizer - CPR No. 3IP-01-033*

Should you want to renew your registration with BAFS, may we refer you to our Organic Agriculture Division. You may contact them at email oars.bafs@gmail.com or telephone numbers (02) 928-8741 to 64 local 3304.
