Subject: **Notice of Revocation for Certificate of Registration (COR) No. OFP-09-2021-077 for BobCel Farms, Inc.**

Dear **Mr. Almajose**:

This letter serves as a formal Notice of Revocation of your farm's Certificate of Registration effective August 04, 2022.

As basis for revocation, we quote Section 9, Clause 9.1.3 of the Department Circular No. 3 series 2015, which specifies the non-submission of updated organic Certificate issued by the officially accredited Organic Certifying Body (OCB) as ground for the revocation of COR.

Your Organic Certificate No. 055921-1 issued by OCCP-ICSI expired on March 24, 2022. To date, the BAFS has not received any reply despite our email reminders sent on March 21, May 11, June 13, and July 08, 2022, requesting for the submission of an updated OC.

Should you decide to renew your registration with the BAFS, please get in touch with the Organic Agriculture Division at email [oars.bafs@gmail.com](mailto:oars.bafs@gmail.com) or telephone numbers (02) 928-8741 to 64 local 3319.

Thank you.

Very truly yours,
