Subject: **Notice of Revocation of Certificate of Registration (COR) No. LP-OSA-022 Issued to Penafrancia Sugar Mill, Inc. and Certificate of Product Registration (CPR) No. 3LP-01-022 Issued to Pensumil**

Dear **Ms. Navo**:

This refers to the registration of your company and your product Pensumil, with Certificate of Registration and Certificate of Product Registration validity period of 5 years, from May 18, 2020 to May 17, 2025.

We would like to inform you that BAFS existing guidelines require annual submission of a new organic certificate. The Department Circular No. 4 series 2020 re: "Guidelines on the Registration of Organic Soil Amendments Producers and Products", states that you are given 1 month to submit a new organic certificate after expiration to retain your COR. With this, we would like to inform you that your Organic Certificate No. 042919-1, issued by OCCP-ICSI has expired last June 19, 2020. We sent an email notification for your company to submit a new organic certificate on January 11, 2021. However, there was non-submission of new OC until now.

In this regard, your Certificate of Registration, COR No. LP-OSA-022 and CPR No. 3LP-01-022, is revoked pursuant to the Department of Agriculture's Department Circular No. 04, Series of 2020.

Should you want to renew your Certificate of Registration and Certificate of Product Registration, I refer you to the Organic Agriculture Division. You may contact them at email [oars.bafs@gmail.com](mailto:oars.bafs@gmail.com) or telephone numbers (02) 928-8741 to 64 local 3304.

Very truly yours,
