Subject: Notice of Revocation of Certificates of Registration (COR) No. 3IP-01-042 and 3IP-01-043 Issued to Hanton Bio-Manufacturing Corporation as Importer and Distributor of the Products Hanyoung Yoobak and Duitshimae

Dear **Mr. Tonogbanua:**

This refers to your company's registration as importer and distributor of the products Hanyoung Yoobak and Duitshimae with the BAFS, with Certificates of Registration validity period of 3 years, from July 15, 2019 to July 14, 2022.

We would like to inform you that BAFS existing guidelines require annual submission of a new organic certificate. The Department Circular No. 4 series 2020 re: "Guidelines on the Registration of Organic Soil Amendments Producers and Products", states that you are given 1 month to submit a new organic certificate after expiration to retain your COR. With this, we would like to inform you that your Organic Certificate No. 041119-1, issued by OCCP-ICSI has expired last April 9, 2020. We sent an email notification for your company to submit a new organic certificate on May 29, 2020. However, there was non-submission of new OC on or before June 29, 2020.

In this regard, your Certificate of Registration, COR No. 3IP-01-042 and 3IP-01-043, for the products Hanyoung Yoobak and Duitshimae is revoked pursuant to the Department of Agriculture's Department Circular No. 04, Series of 2020.

Should you want to renew your Certificates of Registration, may we refer you to the Organic Agriculture Division. You may contact them at email oars.bafs@gmail.com or telephone numbers (02) 928-8741 to 64 local 3304.

Very truly yours,
