Subject: **Notice of Revocation of Certificate of Registration (COR) No. OFP-06-2018-034 Issued to Polangui Organic Kalamay Muscovado Producers and Farmers Association Inc.**

Dear **Ms. Base**,

This refers to your company's registration as Organic Food Producer with Certificate of Registration validity period of 3 years, from June 20, 2018 to June 19, 2021.

We would like to inform you that BAFS existing guidelines require annual submission of a new organic certificate. The Department Circular No. 3 series 2015 re: Rules and Regulations on the Registration of Primary and Postharvest Organic Food and Non-Food Products states that, you are given 2 months extension to submit a new organic certificate after expiration to retain your COR. With this, we would like to inform you that your Organic Certificate No. 031917-1, issued by OCCP-ICSI has expired last June 9, 2020. We sent an email notification for your company to submit a new organic certificate on January 11, 2021. However, there was non-submission of new OC and response from you until now.

In this regard, your Certificate of Registration, COR No. OFP-06-2018-034, is revoked pursuant to the Department of Agriculture's Department Circular No. 03, Series of 2015.

Should you want to renew your Certificate of Registration, I refer you to the Organic Agriculture Division. You may contact them at email oars.bafs@gmail.com or telephone numbers (02) 928-8741 to 64 local 3304.

Very truly yours,
