

16 February 2021

DR. CAMERON P. ODSEY
OIC- Regional Executive Director
DA RFO Cordillera Administrative Region

Attention: **PRECIL SALES**
Organic Agriculture Program Focal Person

Subject: **Revocation of Certificate of Registration (COR) of Organic Food Producers (Farms) in the Cordillera Administrative Region (CAR)**

Dear Dr. Odsey:

This is with reference to the memorandum for the submission of organic certificates of BAFS-registered farms, that we sent to your good office last February 2, 2021.

The Department Circular No. 03, Series of 2015 states that registered organic food producers are given 2 months extension to submit a new organic certificate after expiration to retain their COR. However, there was non-submission of new OC on the set deadline of February 15, 2021. Pursuant to the aforementioned Department Circular, the following Certificates of Registration are revoked;

Organic Food Producers (Farms)	COR Number	Validity
1. Atok Organic Practitioners Association, Inc.	OFP-01-2020-061	January 02, 2020 to January 01, 2023
2. Kalinga Rice Terraces Farmers Agriculture Cooperative	OFP-01-2020-062	January 07, 2020 to January 06, 2023
3. Ifugao Heirloom Rice Producers Cooperative (IHRPC)	OFP-02-2020-067	February 18, 2020 to February 17, 2023

Upon receipt of this notice of revocation, kindly return the original copies of the Certificate of Registration.

Should you want to renew your Certificate of Registration, I refer you to the Organic Agriculture Division. You may contact them at email oars.bafs@gmail.com or telephone numbers (02) 928-8741 to 64 local 3304.

Thank you.

Very truly yours,

MYER G. MULA, Ph.D.
OIC-Director
