LYLE DANIEL L. BACONGUIS

President
Great Harvest Agrichemicals Corp.
Unit 301 Kennedy Center Building, Madrigal Business Park,
Alabang, Muntinlupa City, Metro Manila

Subject: **Request for the Revocation of Certificate of Product Registration (CPR) No. 4IP-01-048 for the Product Venerate 94.46 AF**

Dear **Mr. Baconguis**,

This refers to your request for the revocation of Certificate of Product Registration (CPR) of Venerate 94.46 AF, dated January 28, 2021.

In this regard, your CPR with below details has been revoked:

CPR No. 4IP-01-048
Validity Period: May 26, 2020 to May 25, 2025
Product Name: Venerate 94.46 AF (Heat-killed Burkholderia sp. strain A396)
Category: Microbial
For Use in: Mango hopper and mango sooty mold

Upon receipt of this notice of revocation, kindly return the original copy of the CPR for Venerate 94.46 to BAFS.

Further, please be informed that pursuant to Department Circular No. 05 Series of 2020, Article XV. Revocation of Registration Section 6, OBCA producers or products with revoked registration are prohibited to claim, label and sell their product as "organic".

Should you have further inquiries, may we refer you to the Organic Agriculture Division. You may contact oars.bafs@gmail.com or telephone numbers (02) 928-8741 to 64 local 3304.

Very truly yours,

MYER G. MULA, Ph.D.
