Dear **Ms. Sierra**:

This letter serves as a formal Notice of Revocation of your company's Certificate of Registration (COR) and your product's Certificate of Product Registration (CPR) effective February 02, 2023.

The BAFS has not received an updated Organic Certificate which you are required and supposed to submit within two (2) months after the Notice of Suspension was issued to your company on August 04, 2022, resulting to the revocation of your COR and CPR. Should you decide to renew your registration with the BAFS, please contact the Organic Agriculture Division-Registration Section at email oars.bafs@gmail.com or telephone numbers (02) 928-8741 to 64 local 3304.

Thank you and we look forward to receiving the necessary documentary requirements for the renewal of your registration.

Very truly yours,

KAREN KRISTINE A. ROSCOM, PhD
