Subject: **Notice of Revocation for Certificate of Registration (COR) No. OFP-12-2020-072 for Chad's Agri-business**

Dear **Ms. Briones**:

This refers to the registration of Chad's Agri-business with the BAFS as Organic Food Producer, with Certificate of Registration (COR No. OFP-12-2020-072) valid from December 16, 2020 to December 15, 2023.

We would like to notify your office that your COR has been revoked due to the non-submission of a new valid Organic Certificate (OC) despite BAFS' email reminder sent on January 05, 2022. Your OC which was issued by NICERT already expired on December 16, 2021.

BAFS existing guidelines, specifically embodied in Department Circular No. 3 series 2015 re: "*Rules and Regulations on the Registration of Primary and Postharvest Organic Food and Non-Food Products*", requires annual submission of a new organic certificate (OC) to retain registration within the 3-year validity. Moreover, Section 9, Clause 9.1.3., specifies that the non-submission of updated organic Certificate issued by the officially accredited Organic Certifying Body (OCB) is a ground for the revocation of COR.

Should you decide to renew your registration with the BAFS, please get in touch with the Organic Agriculture Division at email oars.bafs@gmail.com or telephone numbers (02) 928-8741 to 64 local 3319.

Thank you.

Very truly yours,
