Subject: **Notice of Revocation for Certificate of Registration (COR) No. OFP-06-2021-075 for Cortijo de Palsabangon**

Dear **Ms. Llorin**:

This refers to the registration of Cortijo de Palsabangon Farm OPC with the BAFS as Organic Food Producer, with Certificate of Registration (COR No. OFP-06-2021-075) valid from June 10, 2021 to June 09, 2024.

We would like to notify your office that your COR is now revoked due to the non-submission of a new valid Organic Certificate (OC) after the expiration of your OCCP-issued OC on March 24, 2022, despite BAFS' email reminders on March 21, 2022 and June 13, 2022 respectively.

BAFS existing guidelines, specifically embodied in Department Circular No. 3 series 2015 re "Rules and Regulations on the Registration of Primary and Postharvest Organic Food and Non-Food Products", requires annual submission of a new organic certificate (OC) to retain the registration within the 3-year validity. Moreover, Section 9, Clause 9.1.3., specifies the non-submission of updated organic Certificate issued by the officially accredited Organic Certifying Body (OCB) as ground for the revocation of COR.

Should you decide to renew your registration with the BAFS, please get in touch with the Organic Agriculture Division at email oars.bafs@gmail.com or telephone numbers (02) 928-8741 to 64 local 3319.

Thank you.

Very truly yours,
