Subject: **Notice of Revocation for Certificate of Product Registration (CPR) No. LP-01-078 for the product Uncle Ben's Vermicast and Certificate of Registration (COR) No. LP-OSA-064 for Lao Integrated Farms**

Dear **Mr. Mohammad:**

This refers to your company's registration as Manufacturer and Distributor of the product Uncle Ben's Vermicast with the BAFS, with Certificate of Registration and Product Registration valid from February 04, 2021 to February 03, 2026.

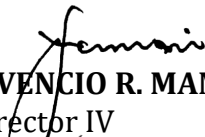

We would like to notify your office that your Certificates (CPR No. LP-01-078 and COR No. LP-OSA-064) are now revoked due to the non-submission of a new valid Organic Certificate (OC) despite the BAFS' issuance of a Notice of Suspension on March 07, 2022.

BAFS' existing guidelines specifically embodied in Department Circular No. 4 series 2020 re: "*Guidelines on the Registration of Organic Soil Amendments Producers and Products*" requires annual submission of a new organic certificate (OC) to retain registration within the 5-year validity. Moreover, DC No. 4 provides one (1) month grace period after OC expiration for you to submit a new organic certificate.

Should you decide to renew your registration with the BAFS, please get in touch with the Organic Agriculture Division at email oars.bafs@gmail.com or telephone numbers (02) 928-8741 to 64 local 3319.

Thank you.

Very truly yours,

VIVENCIO R. MAMARIL, PhD
Director IV
